Beginning in October, Metuchen Dance Centre will be offering dance classes at *Little Genius Academy* every Thursday afternoon in Edison and Thursday morning in Metuchen!!

Children love to dance and parents love the convenience. This service will allow more family time in the evening and on weekends, while continuing to provide your child with a quality dance education. Your child will also participate in our annual dance recital, held in June, with the dance students of Metuchen Dance Centre.

We invite you to join us in celebrating our 34th year of dance instruction in the Metuchen area.

Kidstuff – Ages 2-3 – a creative learning experience through music, movement and preparation for preschool dance.

Pre-School-Dance - Ages 3-4- introduction to tap and ballet through novelty songs and dance routines to help develop their movement skills and group interaction.

Pre-Primary – Ages 5-7 (Edison only) - class consists of basic Ballet & Tap and is an introduction to the *Royal Academy of Dance* Syllabus.

Classes will be held in the gym at *Little Genius* which is fully equipped with professional wood floors, mirrors, barre, gymnastic mats and sound equipment.

**Dance classes meet one hour per week for 9 months (October thru June).
